

We're Sorry you won't be able to attend this year's Gala. You'll be missed!

We're told that 1 in 5 people in America suffer from mental illness, 1 in 17 is affected by severe mental illness and suicide is at an epidemic level. We're getting better at talking about it and with numbers like that, we should! That's exactly what we've been doing at Pathway To Hope for almost 20 years. And we don't just talk about it, we join with individuals and families during some of the darkest times, when mental illness threatens to take the meaning and spark from them.

We believe that the most important connection is the human connection. Mental illness often threatens that. When access to services and a complicated system becomes overwhelming, we stand with individuals and families to find services, advocate for care and most importantly, and listen to their experience.

Sometimes we're with them in the trenches, fighting for their lives, and sometimes we're with them in the celebrations, big and small.

By partnering with us and making a donation you make it possible for us to connect in meaningful ways to provide education, support & advocacy. Our weekly support groups help families face their reality with courage, our educational program untangles the complications of a diagnosis and our home provides a supportive environment for residents to safely transition from dependence to self-sufficiency. AND this year we're starting the Reclamation Clubhouse!

"When you replace I with we, even illness becomes wellness!"

You are the POWER OF WE!

Thank you for joining us and *Sharing the Hope!*

Kiersten Adkins, Executive Director

Pathway To Hope is a non-profit 501(c)(3) organization and all donations are tax deductible as allowed by law.
